* Also available in Black and Almond. Change the **“P”** to

“K” = **BLACK**

BLACK

“A” = Almond

ALMOND

Molded high density polyethylene (HDPE), stainless, aluminum diamond plate and custom jackets available. More than aesthetics, IWP tank jackets offer true protection. HDPE jackets are economical, attractive and ideal for indoor or outdoor applications. Stainless 430 mirror finish are recommended for indoor applications. Brushed 304 stainless offer better corrosion resistance and a “refined” look. Listed jackets are typically in stock. Custom tank jackets available. Neoprene jackets available by special order with minimum order quantities.
